INSURANCE AUTHORIZATION

I request that payment of authorized medical benefits is made on my behalf directly to the Arthritis, Rheumatic & Bone Disease Associates (ARBDA) provider of services furnished to me. I authorize the release of any medical information needed to process my health insurance claim to my health insurance carrier or its agents.

PAYMENT GUARANTEE

I guarantee payment of all charges related to all services provided to me by ARBDA from my first date of examination or treatment. I understand that fees for my services will be submitted to my health insurance carrier for payment and that all charges not covered by my insurance plan, including but not limited to deductible amounts and co-payments, are my responsibility. In the event that I fail to make full payment or fail to comply with other payment arrangements made with ARBDA's approval, I understand that appropriate collection measures may be taken.

If my ARBDA provider does not participate in my insurance plan, charges for my services will still be submitted to my insurance carrier, but I understand that any and all charges not covered by my plan as a result of my provider's nonparticipation are my responsibility.

I understand that if my insurance company requires a current, valid referral for services, and if I do not have a current, valid referral on file the day my services are provided, then I am responsible for all charges.

I may request a list of charges incurred for my care at any time.
